### Celebrating 1 year of NOVOMATIC Linked success at Carnival City

***Last year, the South African Carnival City Casino introduced NOVOMATIC's latest products THUNDER CASH™ Link and CASH CONNECTION™ Charming Lady™ to its gaming floor – games which have become absolute favourites with the guests.***

It's been one year since NOVOMATIC's THUNDER CASH™ Link and CASH CONNECTION™ Charming Lady™ launched in the PANTHERA™ 2.27 cabinet at one of South Africa's major casinos near Johannesburg. Both Linked Progressives have since impressed at Sun International's Carnival City Casino with excellent performance, way above floor average, and continue to thrill players with more than R2 million Rand of jackpot pay-outs to date. All this, in spite of COVID-19 restrictions and safeguarding measures that have been significantly reducing the number of active player positions on the casino floor during the past couple of months.

True to its name, the THUNDER CASH™ Link made a thundering impact at the casino. Players appreciate the choice of four thrilling titles featuring vivid graphics, player-friendly multi-denomination and the most exciting Coin-Re-spin Feature which encourages them to collect more and more coins with chances to win the top Progressive prize. Likewise, the CASH CONNECTION™ Charming Lady™ has become a special darling with casino guests, thrilling them with pretty prizes in pink. The Lock & Spin feature is an absolute player highlight with instant prizes, bonuses and more and more chances for the big jackpots.

Deon Valkenborgh, Sales & Marketing Manager NOVOMATIC AFRICA, says: "Ever since the introduction of the two new Progressives to the gaming floor, both have consistently resided among the top-earning slots at Carnival City for the past year."

Carnival City Slots Manager Karthy Padayachee adds: "Paying out more than R2 million Rand in Progressive Jackpots, these two themes are still unequivocally the most favourite machines being played at Carnival City. The CASH CONNECTION™ and THUNDER CASH™ themes are continuously providing players with endless excitement and entertainment."
