

## HOT SPOT PLATIN X

COOL FIRE™

Limited time support for the Coolfire™ I platform with HOT SPOT PLATIN 4SA game mix.

NOVOMATIC South Africa wishes to inform all our customers that the Coolfire™ I platform has reached End-of-Life in terms of hardware and software support and will now be phased out. No new Coolfire I MPU boards will be available anymore from June 2022. Existing stock supply would be limited per order, to ensure availability until the cut-off date. Coolfire I+ platform and Coolfire IIs will gradually replace the installed Coolfire I, guaranteed to cover all multi-game player preferences and provide a user-friendly navigation for the guests.

The Protection of Personal Information Act ("POPIA") is effective in South Africa from 1 July 2021. POPIA regulates how we use, store, and destroy any information we receive about you. Rest assured, we only store the very least amount of data possible, we store it securely and we do not share it. At any stage, you can change the types of communication you receive from us or contact us to discard your contact information on our database.
