impera Link Series 1

IMPERA LINK™ Series 1

The allure of a jackpot is easy to understand, the chance to win a vast amount of money from a single stake is a dream for many players, and these games help make it reality for a lucky few.

IMPERA LINK™ offers 30 titles with their traditional game play and free game features – PLUS a jackpot! Whereas GRAND and MAJOR JACKPOT are linked jackpots, MINOR and MINI BONUS are based on stake.

The IMPERA LINK™ Jackpot feature:

6 or more coins of any value, including BONUS and JACKPOT coins, trigger the JACKPOT FEATURE with 3 initial spins. The coins that triggered the JACKPOT FEATURE are held on the reels during the JACKPOT FEATURE. All other reel positions spin as long as spins are available and new coins are held on the reels. The number of the remaining spins is reset to 3 if at least one coin is held. The JACKPOT FEATURE ends when either there are no spins remaining or the screen is completely filled with coins. If the screen is completely filled with coins, all the prizes are doubled, except for MINI BONUS, MINOR BONUS, MAJOR JACKPOT and GRAND JACKPOT.

MINI BONUS and MINOR BONUS increase with bet size. They can be won multiple times during the JACKPOT FEATURE.

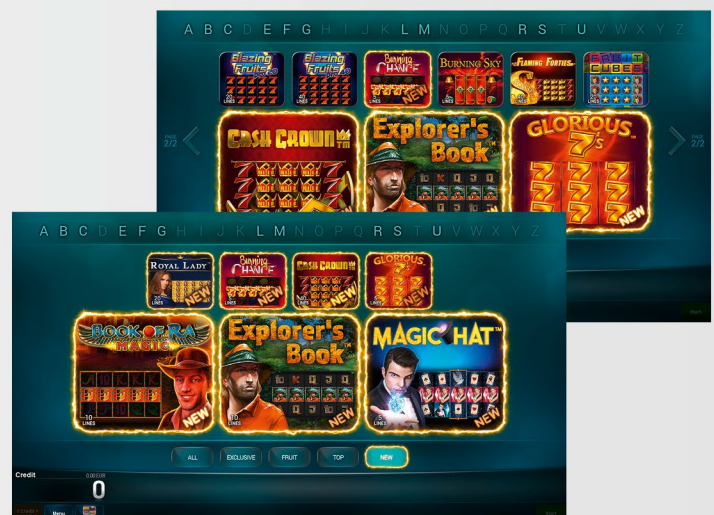

MAJOR JACKPOT and GRAND JACKPOT are linked and can only be won once during the JACKPOT FEATURE. BONUS and JACKPOT prizes are paid together with any other prizes. All prizes are awarded at the end of the JACKPOT FEATURE. The JACKPOT FEATURE is played at trigger bet. The JACKPOT FEATURE can also be triggered during Free Games/Spins.
